Quality child care close to home

The YMCA of Darke County's centers for child care are conveniently located in Greenville and Versailles. Both centers provide full service day care in a setting that is safe, fun and offers children a warm and loving environment in which to grow mentally, physically, socially and spiritually. Financial assistance options are available if needed.

Children at YMCA child care are given the opportunity to reach their potential as they learn and grow. The mission of the YMCA of Darke County is to develop the whole person – spirit, mind and body – through character development programs that reinforce Christian principles and that build strong kids, strong families and strong communities.

YMCA child care is a special place where family values are still strong. The YMCA focuses on character development by teaching the core values of caring, honesty, respect and responsibility as well as kindergarten readiness and academic reinforcement. Call the Child Care Site Director today for more details.
